Bane-chant	Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, if one or more hits are scored (two or more for ranged attack/Piercing) from the same casting, for the rest of the turn all of the unit's melee and ranged attacks increase their Crushing Strength and Piercing by 1, or gain Crushing Strength(1) or Piercing(1) if they don't already have it. Note that multiple bane-chants hitting the same unit do not have cumulative effects.
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.
Brutal	When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
Crushing Strength	All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
Diadem of Dragon-kind	The unit has the Breath Attack (10) rule.
Fireball	Spell. Range 12". When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
Fly	The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
Fury	While wavered, this unit may declare a Counter-Charge.
Godspeaker	For every friendly non-allied Horde or Legion within 6" (Exluding Orclings), increase the amount of dice rolled for all spells by 1.
Great Thunder	This unit has the Rallying (2) special rule. Rallying! (n): Friendly, non-allied units within 6" of this unit have +n to their Waver and Rout Nerve values. This is cumulative, with a maximum total of +2 if multiple units with Rallying! are in range. Only the Rout value of Fearless units is affected by Rallying!
Heal	Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, for every hit 'inflicted', the friendly unit removes a point of damage that it has previously suffered.
Individual	<p>Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.</p> <p>Move Individuals have the Nimble special rule.</p> <p>Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.</p> <p>Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when</p>

attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

Inspiring Talisman This artefact can only be used by Heroes. The Hero has the Inspiring special rule.

Regeneration (5+) Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.

Strider The unit never suffers the penalty for Hindered charges.

Thunderous Charge All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.

Vanguard The unit can make a single At the Double or Advance order after set-up is finished. If both armies have units with this rule, roll a die. The highest scorer decides who begins to move one of their Vanguard units first, then the players alternate until all Vanguard units have been moved.
